Quiet Deer Hunting Weekend Reported by Police Here

The Crawford County Sheriff Department reported no serious hunting accidents in Crawford County over the weekend. No shooting incidents or rifle accidents were reported.

No-Kill Court Decision Delayed By Kalkaska Trial

An extraordinary court trial in Kalkaska County is delaying a decision by Circuit Court Judge Alton T. Davis on the no-kill case. Davis is presiding at a lengthy trial that could involve as many as 400 witnesses and hundreds of pieces of evidence.

The Kalkaska trial is examining Shell Oil charges against an independent oilman.

A no-kill court decision — at one time expected by October — has been pushed back by the trial. Debbie Parks, 46th Circuit Court secretary at the Crawford County Courthouse, said the no-kill decision may be pushed back as far as the first of next year by the Kalkaska trial and other pressing circuit court business.

2 Lehman Inmates Arrested For Lovells Township Break-in

Following a two month investigation by the Crawford County Sheriff Department, warrants were obtained for two downstate men in connection with a September 18, 1986, breaking and entering in Lovells Twp. The two men were inmates at the Camp Lehman Correctional Facility up to the time of their escape and the subsequent break-in. Names are being withheld pending their arrest and arraignment.

The men apparently lived in the cabin after breaking in until the time that the owner arrived and scared them off. Ronald Antcliff, of Grand Ledge, owned the cabin.

Avalanche To Publish Tuesday For Thanksgiving Week Issue

Because of the Thanksgiving Holiday next Thursday, November 27, the Avalanche will be published on Tuesday, November 25, instead of our regular Wednesday publishing day.

Publishing the newspaper on Tuesday will allow our area subscribers to receive the paper in the mail Wednesday before the holiday.

All news copy and display advertisements for the next issue next Thursday should be turned into the Avalanche office by Friday noon. The deadline for classified ads next week will be Monday noon.

Last Chance To Enter 1987 Miss Grayling Pageant

The deadline for handing in applications for the Miss Grayling Pageant is Sunday, November 30th, at 5 p.m. If you are interested in being a contestant and have questions concerning the pageant, please call pageant director Norma Naour at Cornell Realty - 348-6481. Applications are available at the Grayling High School counseling office, Cornell Realty, and the Grayling Regional Chamber of Commerce office.

City, School Officials Set Winter Walk Routes

The Grayling City Council, City Administrators, and the Grayling Elementary School Staff have issued suggested winter walking routes for students.

The City Council, Administration, and the Grayling Elementary School Staff are concerned with the safety of students walking to school during the winter months because some areas do not have sidewalks, many sidewalks are not cleared, and as winter progresses the shoulders of the roads become increasingly narrow and there is not room to walk in safety.

They suggest to parents that Elementary School children use the following established routes to school:

Children living S.E. of Michigan Avenue should walk along the west side of State Street and the west side of Maple Street to

Michigan Avenue, then walk on the south east side of Michigan Avenue to the school.

Children living N.W. of Michigan Avenue should use lightly traveled side roads and avoid walking along Michigan Avenue due to heavy traffic. The suggested route is along Ogema Street to Plum or Erie Street to cross Michigan Avenue only at corner of Erie and Michigan where the crossing guard lends assistance.

Extra care will be taken by the city and residents to keep sidewalks and roadways along suggested routes in a safe condition.

Families living along these routes are asked to assist by helping keep sidewalks on the proposed routes cleared. Please contact the City Office if you have questions or concerns regarding this program.

Grayling Middle School Construction Continues

At their regular meeting Monday night, Nov. 10, the Crawford AuSable School Board authorized a contract with the City of Grayling for watermain relocation. The present city watermain runs between the existing middle school building and gym-

nasium and must be relocated as new construction is taking place in that area. The waterline will be diverted from the corner of Spruce and Ogema to Chestnut Street, along Chestnut to Ottawa Street, and from

Wide Range of Entertainment Highlights United Way Auction

For entertainment this Saturday, you can come to the United Way Auction at 6 p.m. and listen to the original AuSable Dixieland Band while you browse through the selection of auction items.

The real bidding will begin at 7 p.m. and be preceded by the invocation by Father Irv, the Preachin' Deacon McIsaac. Kay Mathews will lead the sing-a-long as well as entertain at the piano with music and song. Guest entertainer's will be Greg Kashnieder from "The Kikker Band" now playing at the Grayling Red Barn, and Mike Corvin, one of the original Harmonicats. A special added attraction is a rare appearance by Grayling's own male review.

If you are interested in making a personal cash donation to United Way and have not been contacted, you can call Gloria

Kraus at the Village Shop or Moe McNamara at Mac's Drugs and they will be happy to assist you. Additionally, Ivan Gwilt is still ready and willing to pick up auction items from individuals. Call him at 348-5638.

What a great way to spend an evening. You can pick up a gift for the family (that's tax deductible) and be entertained. Original oil paintings by local artists, wood carvings, hand made baskets, kitchen appliances (including a Micro-wave from K-Mart), gift certificates from local merchants, and a six month old female Nubian goat from WGRY radio. And more.

There's something for everyone at the United Way Auction. Get your tickets now from the Village Shop, Mac's Drugs, or R. Wieber Jewelers. Tickets are also available at the door.

Dec. 8th Hearing 100% Summer Tax Collection Considered By School Board

The Crawford AuSable School Board will hold a public hearing Monday, December 8, at 7:30 p.m. on collecting 100 percent of school property taxes in the summer.

The school district currently collects 50 percent of the taxes in the summer and 50 percent in the winter.

Superintendent Kent Reynolds said under the current arrangement the school district still has some cash flow problems in November and December before the winter tax monies come in.

He said the switch to 100 percent collection in the summer would eliminate the cash flow problems, and the school district could invest some of the taxes collected. The interest earned on the money invested could be as much as \$70,000.

Reynolds said if the district switched to 100 percent summer collection next year, the extra interest earned could go toward solving problems such as reducing class sizes by hiring additional personnel.

A 1982 law permitted school districts to collect 50 or 100 percent of taxes in the summer. Crawford AuSable switched to 50 percent collection in the summer in 1982. The switch allowed the school district to save as much as \$100,000. Before switching

to 50 percent summer tax collection, the school district had to borrow money until tax money started coming in during December. Interest paid on the money borrowed amounted to as much as \$100,000 a school year.

Other area school districts already have gone to 100 percent summer tax collection. Gerrish-Higgins, Houghton Lake, and the Gaylord school districts collect all of their property taxes in the summer.

Even if the school does switch to 100 percent collection in the summer, the overall tax bills for township residents will be about equal in the summer and winter because the county and townships still collect their taxes in the winter. City residents would have larger summer tax bills than winter tax bills.

"We want to emphasize this is not a tax increase," said Reynolds. "This will not increase anyone's taxes."

The school board will take public comments at the Dec. 8th meeting. They could act on switching to 100 percent summer tax collection at a special Dec. 15 meeting. If they acted in December, they could change over to 100 percent summer collection for 1987.

Rezoning Request For Dial-A-Ride Facility Withdrawn By County

Crawford County commissioners withdrew a request to rezone a parcel of land to commercial following protests from subdivision residents.

The commissioners withdrew their request Wednesday, Nov. 12, at the Grayling Township Board meeting. The county wanted the land rezoned from recreational forest to commercial to allow construction of a \$568,000 Dial-A-Ride facility.

The parcel, located in Grayling Township, borders North Park subdivision and is near Clough's Highland subdivision. Residents from both subdivisions were opposed to the rezoning because they use the land for various recreational activities. They also felt a commercial building on the site would not enhance their property values.

The subdivision property owners presented a petition to the township board with 60 signatures opposing the rezoning.

After the county withdrew their rezoning request, the residents discussed their concerns about the future of the site with the township board. The possibility of the residents purchasing the site or having the county dedicate part of the land as a

park was brought up at the meeting.

The parcel of land, located north of Scheer Motors, was picked by the Crawford County Transportation Authority as a site for a new facility. Now, the CCTA is looking for another site.

David Frederick, CCTA Director, said the board looked at two other sites recently, one south of Frederic and one along North Down River Road near Grayling Industries, but both were rejected as unsuitable.

Frederick said the board would like to find a site at least 200 by 800 feet and conveniently located for operations of the county-wide transportation service. A site 200 by 800 feet would allow for construction of a well-laid-out facility with some room for expansion.

The loss of the first site puts the Dial-A-Ride project behind, said Frederick.

"We were supposed to notify them of site selection within two weeks of receiving the grant," he said. "We were notified of the grant money at the end of September, so it was supposed to be done by the middle of October. We're already four weeks behind."

Frederick said he did not know if losing the initial site will cause problems in receiving the grant money.

GHS Comparing Two Conferences for 1988-89

Grayling High School is applying for membership in the North East Michigan Conference — giving Grayling the option of joining two leagues in 1988-89 when the Michigan Huron Shores Conference disbands.

Current members in the North East Michigan Conference are Gladwin, Oscoda, Standish, Pinconning, Tawas, West Branch, and Whittemore Prescott.

A few weeks ago, Grayling applied for membership in a proposed new league of seven current Michigan Huron Shores Conference members, Charlevoix, Cheboygan, Gaylord, Petoskey, Rogers City, Sault Ste. Marie, and St. Ignace. This new league will start in 1988-89 when the Michigan Huron Shores Conference disbands.

GHS applied for membership in both leagues to allow the school administration to assess both leagues. Initial information shows the North East Michigan Conference offers more freshman sports and greater participation in sports such as softball. The total one-way mileage to schools in the North East Michigan Conference is also 80 miles less than the total one-way mileage for schools in the new proposed league of Michigan Huron Shores Conference members.

School administrators will present a recommendation to the school board regarding membership in an athletic conference for 1988-89 at the December meeting.

Mt. Hope Pastor Awarded Navy Commendation Medal

Lieutenant Commander, Daniel E. Lochner, Pastor of Mt. Hope Lutheran Church, Grayling, was awarded the Navy Commendation medal from C. A. H. Trost, Admiral, United States Navy, Chief of Naval Operations, for service as set forth in the following citation:

For meritorious service while serving as Command Chaplain, Naval School of Health Sciences, San Diego, California from June 1984 to

June 1986. Lieutenant Commander Lochner consistently performed above and beyond the normal call of duty in carrying out his demanding responsibilities at this major medical training command. Significant ministerial services provided to the members of the command by Lieutenant Commander Lochner included 2,078 pastoral counseling sessions, 190 pastoral calls, and 334

work area visitations. He performed every aspect of his tasks in a superlative manner.

Additionally, he developed a well deserved reputation as a trusted and respected consultant to the Commanding Officer. Lieutenant Commander Lochner strengthened the command's relationship with Navy Relief, resulting in a significant increase in the number of staff and students

Daniel Lochner

assisted. His approach to identifying problems and providing spiritual support proved critical to the well-being of staff and students.

Lieutenant Commander Lochner's professionalism, perseverance, and loyal devotion to duty reflected credit upon himself and were in keeping with the highest traditions of the United States Naval Service.

Pastor Lochner will continue to serve in the Chaplain Corps as a non-active duty reserve in addition to his duties as Parish Pastor of Mt. Hope Lutheran Church.

Shelter for Domestic Abuse Victims Needs Volunteers, Donations

River House Shelter and Domestic Crisis Services, open for services to victims of domestic abuse and battering since October 8, has recently hired Ms. Barbara Sands of Grayling to fill the position of Volunteer Coordinator for the program. Ms. Sands' job entails recruiting and training persons to volunteer in the many different facets of the program.

Currently, River House has 13 active volunteers working on the 24 hour crisis line, in the office and handling donations. Active

recruitment of more volunteers, especially in the areas of Mio, Houghton Lake, Roscommon and West Branch will begin the first of the year. Efforts currently are directed at preparing the shelter for opening in December and staffing the 24-hour crisis line.

A second important role for Ms. Sands is soliciting donations for River House Shelter. "We are setting up a home", stated Ms. Sands, "and like a home we are in need of basic items. Critical right now to opening is the

need for single bed sheets, towels, washcloths, dishcloths, and children's clothing (all sizes). Items do not have to be new, but should be in good shape as we expect they will get a lot of use." Donated items will be valued and contributors can receive a tax deductible contribution statement.

Larger items needed for the Shelter include a refrigerator/freezer, washing machine and dryer, a television set, a vacuum cleaner. The Shelter has some funds to pay for some of

these items if they are in good working order. If you have any of these items, or any items you wish to donate, please call the River House office between 8:30 a.m. and 5:00 p.m. Monday through Friday, 348-3169.

For persons seeking assistance or information about the program, they can call the general business office, 348-3169, during regular business hours. Crisis or emergency needs calls are handled 24 hours a day, 7 days a week, by calling 348-8972.

Recycling Group Needs Help From County Residents

If you ever discard anything - bury it, burn it, flush it, dump it, or set it out for someone to haul it away - you are part of a growing national problem. Most experts agree the problem of Solid Waste Management will get more serious before it gets better.

Because many existing landfills are contaminating groundwater supplies, old sites are being closed and new landfills are now closely regulated. This has resulted in increased collection fees to cover longer haul distances to a licensed site and higher tipping fees at these sites to cover additional operation and maintenance expenses.

The Northern Michigan Recyclers Cooperative, Inc. is a non-profit corporation representing recycling interests in 21 northern lower Michigan counties. The purpose of this two-year-old organization is to help reduce the quantity of solid waste

produced in these counties.

Recycling provides two major benefits. First, it reduces the consumption of new material and energy resources. Secondly, many of the easy to recycle materials constitute a great deal of the bulk that is currently land-filled. To the extent that recycling is successful, the usable life of our landfills is extended.

Northern Michigan Recyclers Cooperative is attacking the problem on a broad front - working with towns, townships, counties, businesses, haulers, recyclers, schools and organizations. A State of Michigan "Clean Michigan Fund" grant has made possible the opening of an office, and the establishment of a Recycling Information Clearinghouse and a Toll Free Recycling Hotline. The continuation of these efforts depends on all of us being concerned enough to keep it going.

County Ambulance Rumors Are Not True

Opinions

Northern Views

By Jon Thompson

Whenever I approach the southern end of the I-75 Business Loop, I instinctively reach to check my shoulder harness-seat belt.

From the railroad tracks to the I-75 entrance and exit ramps, that part of the business loop seems to have had a few more accidents than most other places in our county.

I think one of the problems on that section of the business loop is the narrow medians between the two lanes of traffic.

The median is only long enough for one vehicle, yet I'll often see a second car in the median with its rear sticking out in the traffic lane. Or many times, I'll notice three or four cars at a standstill in the traffic lane waiting to turn into the median.

Either situation isn't very safe.

I've had other county residents tell me something should be done to improve safety in that area, so I called Wayne Gundersman, District Traffic and Safety Engineer in Alpena for the Michigan Department of Transportation.

Gundersman told me no changes are currently planned for the south business loop, but that doesn't mean his department is not willing to look into the area and talk about what might be best for the roadway.

Gundersman said that narrow medians usually work all right in rural areas or areas where the traffic is not that great.

Generally, he said, narrow medians have not worked too well in heavy traffic areas. Usually, high traffic areas are more suited to five lanes with the center lane a turning lane.

Ten years ago, before the south business loop really developed into the nice business district it is today, the narrow

medians were no problem. In addition to the business development along the south loop, traffic has increased along the loop because our county population has grown and traffic going to Michigan's "Gold Coast" has increased. The I-75 to M-72 West connection is a major route to the popular northwest Michigan area.

With the increased traffic on the south business loop, we may need a change to make it safer for drivers. John Keir, Engineer-Manager for the Crawford County Road Commission, is looking into the problem and Grayling City Manager Jerry Morford said the city will continue to support any efforts to improve safety conditions on the loop. But control of the business loop is in the hands of the state transportation department. Our local leaders will try to prod the state to investigate the area but it takes time.

In the meanwhile, with the busy Holiday season approaching, there are a couple of things you and I can do to keep one of our friends or family from becoming an accident statistic on the south business loop:

1. Slow down. Driving even 10 miles an hour slower can make a difference in avoiding an accident — especially on icy or snow-covered roads.

2. Don't crowd the medians. If there is a car ahead of you in the median, continue to the next open one, it's safer.

3. Keep your windows clear of ice and snow so you can see, and keep your brake lights and turn signals clear of snow so others can see you.

We've got a fine business district along the south business loop. Let's keep pushing to make it even better.

Dear Citizens of Crawford County:

Recently, it has come to the attention of the County Board of Commissioners that the County is considering abandonment of the Crawford County Ambulance Corps. Our answer to these unfounded "rumors" is: THIS IS NOT TRUE.

Letters To The Editor

Your viewpoint is part of this community. Your letters are welcome at the Avalanche. They must be double spaced, either type-written or neatly printed, and all letters must be signed. Please include your address and phone number so we can check to make sure the letter came from you.

Most letters should be able to make their point in 200 words or less. The Avalanche reserves the right to edit all letters.

We are proud of our Ambulance Corps and feel it provides a very viable and needed service to the people of Crawford County. The volunteers that spend so much of their time on this important service, to the community probably deserve a "pat on the back" and should be deserving of more recognition within the community than they presently receive.

It may be that these "rumors" circulating in the community could have stemmed from the County Board's decision back in August to consider going to a full-time ambulance service with the possibility of a millage proposal to support this full-time status. The Ambulance Director, Tony Doremire, appeared before the board and said the ambulance service could encounter problems in adequately staffing of the service unless trained persons could be recruited to replace people that have either left the area or whose

job would not allow them time to devote their services to the Ambulance Corps.

About one year ago, the Ambulance Staff consisted of eleven Basic EMT's and four licensed attendants. Within the year, two of the EMT's left the area and two others suffered from serious health problems (including Director Tony Doremire) that prevented them from actively participating.

Presently, there are seven active EMT's and four licensed attendants, and hopefully, the two inactive people will be able to return to duty in the not too distant future.

About a year and a half ago, a private ambulance service came into the area offering to provide ambulance transfer service that the County Service could not always be available to provide because of time and distances involved, and to

also provide backup emergency service. In 1986, the Crawford County Ambulance Corps has served approximately the same number of patients per month that they did in 1985. (498 patients, or an average of 41.5 per month, in 1985 compared to 421 patients, or an average of 42.1 per month during ten months in 1986). These totals probably would have been higher for the local ambulance service had the Private ambulance service not been available. The Private ambulance has undoubtedly lessened the burden on the local ambulance, especially in the area of transfer services.

Both Ambulance services provide a need to the community and we want to emphasize that the County Ambulance Service is not about to be abandoned when the people of the community still want the services it provides.

Again, to reiterate, about

the "rumor" concerning the abandonment of the Crawford County Ambulance Corps — THIS IS NOT TRUE.

Sincerely,
William E. Ruddy,
Commissioner & Board's
Representative on the
Ambulance Committee

Almanack

Voters opt for moderation

by Richard Milliman

HERE IT IS, many days after the fateful 1986 elections, and the questions are still being asked — and answered — about what really went on.

There can be no doubt that Democratic Gov. James Blanchard won a tremendous victory. Republican arguments that he really isn't as strong as four years ago, when Democrats won both houses of the legislature, are so much poppycock.

After winning 70 percent of the popular vote, Mr. Blanchard is as strong as any politician could be, short of an unanimous victory — and that just doesn't happen in American politics.

WHY DID GOV. Blanchard win so big? It seems to me the sweep of 82 of Michigan's 83 Michigan counties was partly pro-Blanchard outpouring, but also partly an anti-Bill Lucas sentiment.

Gov. Blanchard has done an outstanding job of claiming credit for everything good that has happened in the last four years, and shedding blame for anything bad that may have happened. This is the essence of effective electioneering, and Mr. Blanchard has the art down to a science.

In truth, most people in Michigan are satisfied with the way Mr. Blanchard has run the governor's office, and they voted this way on Nov. 4.

BUT THERE is an element of voter antagonism toward Mr. Lucas at the same time.

Not only is Mr. Lucas black, he also is from Detroit and is closely identified with Detroit; Detroit Republicans in the last 40 years have traditionally done poorly in Michigan elections.

Mr. Lucas is a new Republican, who switched party allegiance only recently, thereby giving rise to charges of opportunism. And his campaign never lit a spark of enthusiasm among the grass roots.

Add these together, and Bill Lucas came out as an extremely weak candidate for governor this year against James Blanchard. In another time, and against another opponent, and in other circumstances, the story could be entirely different.

FOR THE most part, the 1986 results were a testimonial to Mr. Blanchard, and not a ringing endorsement of his Democratic party. The governor's coattails were not very sweeping at all.

Republicans maintained their 20-18 edge in the Michigan Senate, holding all the seats they held before the election. Democrats won no new ones. Republicans even made it close in three or four other districts. Such results are not compatible with heavy top-of-the-ticket coattails.

In the state House, Democrats made some gains, but only modest ones. They increased their edge from 57-53 to 64-46, by winning back several seats they lost two years ago in the Reagan landslide, plus two or three more — although they dropped a couple, too. All in all, House results did not reflect the 70 percent Blanchard landslide, either.

THE SAME SORT of split personality by the voter was evident in the Supreme Court voting, where one Republican and one Democrat were elected, largely on name identity, giving the high court a 3-3-1 partisan split — three Democrats, three Republicans, one independent. Incidentally, with 24 candidates on the wide open Supreme Court ballot, the voters showed intelligence in finding two of the better

qualified ones to elect.

The state educational boards, meanwhile, went in traditional ways, trailing the top of the ticket in exact shadow. Democratic candidates won all eight positions, with some margins rather close considering the 70 percent landslide at the top of the ticket. Again, there were no extraordinary coattails here, either — just the usual ones.

ONE OF THE bottom line interpretations of the Nov. 4 vote in Michigan is that Michigan voters are either perverse or discriminating, or perhaps both; they like the idea of checks and balances in state government.

Very infrequently in the last 30 years or so have voters given full reign in the state capital to either major party, but rather have maintained at least part of the legislature in one party and the executive office in the other.

This brings more moderate results than if both branches were held firmly by the same party, and the voters seem to like it this way. Probably, they feel safer.

NATIONALLY, a surprisingly similar picture emerges.

The most noticeable national change is the capture by Democrats of the U.S. Senate, by dint of Democrats unseating nine incumbent Republican senators and losing only one Democrat seat. That will give Democrats a healthy 55-45 margin, in dramatic reversal of the Republicans' current 53-47 edge.

But, at the same time, Democrats picked up only a handful of House seats, some six or seven at last count; historically the party out-of-the-White House gains 30 or 40 House seats in the off-year election. Democrats did not this year.

AND, WHILE picking up a net eight Senate seats, Democrats also lost a net eight governors' offices, including two in states where they gained Senate seats. Republicans actually captured 11 new state houses, but lost three to Democrats. And, at the same time, Democrats showed state legislative gains nationwide.

It all seems sort of mixed up. But once more, this voting pattern provides brakes on government, putting the legislative and executive branches in opposite political hands on the national level and in several other states, too.

The clearest message seems to be that the voters want moderation in their governments.

BEFORE ANY of the 1986 winners get uppity, however, they should keep history in mind.

Just two years ago, Ronald Reagan carried 49 states for the Republicans...and this year, Republicans lost a net eight Senate seats.

And in 1964, Lyndon Johnson carried 48 states for the Democrats...but the Republicans captured the White House four years later.

And as for Mr. Blanchard's 70 percent landslide...his victory margin is compared to the 69.9 percent winning landslide fashioned by Republican Fred Green in burying Democrat William Comstock back in 1928.

But history shows that Democrat Comstock came back, just four years later, and won the governor's office in 1932.

In politics, as in football, the ball takes funny bounces.

A Look Back At Our Past

23 Years Ago

November 21, 1963
The opening weekend of 1963 deer season in Crawford County was termed "Very Good" despite unseasonable weather. The lack of a ground cover of snow, undoubtedly hurt the hunting from one respect, tracking, but it also allowed the hunters to easily penetrate deep into the public hunting areas on trail roads whose surface was as good as summertime. At several clubs in the county, the number of bucks hung from the game poles was equal to and in some cases more than last year. The number of hunters in the county seemed to be even higher than last year.

Miss Kay Ann Stephan graduated from Hinsdale Hospital and School of Nursing, at Hinsdale, Illinois, in exercises held November 1 and 2, 1963. Kay Ann also sang as one of the Senior Triple Trio in the Saturday morning baccalaureate program. She is the daughter of Mr. and Mrs. Alva Stephan.

Marvin Miller and sons Phil, Bernard and Dave, the latter two from Flint, spent the weekend before last deer hunting in the U.P. Phil and Dave each getting the nice bucks.

Hunting guests of the LeRoy Millikins over the weekend were her

brother, Walter Skingley of Traverse City, Ernie Rokos and Ernie Jr., Lavern Subora and son Doug and Chet Gritts of Flint, Leon Blackburn of Chelsea, John Literal of Ann Arbor and Mrs. Millikins father, Harold Skingley, of Saginaw. Mr. and Mrs. Morton Schiff of Oak Park also spent the weekend.

Col. Carl Rasak of Birmingham spent the weekend at his Lake Margrethe home, having as his guests Major General Ronald D. MacDonald of Okemos and Col. William Merritt Peterson of Lansing. Col. Rasak has just returned from deer hunting in the U.P., bringing back one of the largest deer bagged this season, a 240 pounder, dressed, with a 12-point rack.

Larry Curtis Jr. is the son born to Mr. and Mrs. Curtis Haas on November 17th, weighing 6 lbs. 3/4 ozs. Mrs. Nellie Haas, and Mrs. Eva Kreeger of Frederic, are the baby's grandparents.

Mr. and Mrs. Edward Kucharek are pleased to announce the arrival of Steven Charles, born November 13th, weighing 7 lbs. 4 ozs. His grandparents are the Charles Kuchareks of Gaylord, and great grandparents are the Bert Bogers of Kalkaska.

The Rollin Yortys of Roscommon have a baby

girl born November 13th.

Mr. and Mrs. A.J. Sorenson and daughter Miss Marcia are looking forward to the arrival of an exchange student, Miss Maria Luisa Vicin Vidal, who will make her home with them for two months. The exchange is under the sponsorship of the Youth for Understanding Teen Age Exchange Program in cooperation with the Arch Diocese of Detroit.

The hunting season opened with a very cold morning, the temperature being 10 above at 6 o'clock and remaining cold through the day, the mercury rising only as high as 22 degrees. Saturday morning it jumped to 27 above at 6 o'clock. Sunday and Monday the mercury stayed between 30 and 34. A heavy snow fell Saturday night and Sunday morning but soon melted. Tuesday evening at 6 o'clock the temperature stood at 45 degrees, the highest in the past week, and Wednesday morning it was 34 at 6 o'clock.

Mr. and Mrs. Leo Gannon and family of Big Bay spent the weekend in Grayling visiting Mrs. Gannon's parents, Mr. and Mrs. Oscar Smock, who are occupy-

ing their home here. Mr. and Mrs. Smock recently moved to Grayling from Frederic.

Alvin Confer and Gene Willey of Flint spent the weekend visiting the former's father Bert Confer, also doing some hunting while here.

Mr. and Mrs. Esbern Hanson left Sunday night for Detroit. From there Mrs. Hanson will leave for a weeks visit in Pittsburgh, Pa.

Mr. and Mrs. Ben Jerome Sr. came up from Pontiac for the opening day of deer hunting season and returned that same day after Ben bagged a nice buck. They were guests while here of Mrs. Jerome's mother, Mrs. M.A. Bates. Ben Jerome Jr., accompanied by John Donaldson, of Pontiac, are hunting here but so far have had no luck.

Alfred Hermann of Grand Rapids was lucky to shoot a 140 pound 4-point buck the second day of the season and left for home Monday with his prize. Here hunting with Mr. Hermann were Charles Graham, manager of the Consumers Power Co., Arthur McDaniels, traveling salesman for the Wardell Co., Detroit, and Ted Wattam of Detroit.

Mr. and Mrs. Nels Olson are very proud over the arrival of a son,

Nels Peter III, born to them at Mercy Hospital Saturday morning. The babe shares birthday honors with his grandmother, Mrs. Esbern Olson.

Walter Hemmingsen of Highland Park spent the weekend here deer hunting.

J.M. Bunting, a local coal dealer, went to Bay City, Saginaw, Detroit and other cities to try and obtain a quantity of coal. Thus far very little coal has been delivered in Grayling and many families are without.

Miss Lilas Cassidy, oldest daughter of Mr. and Mrs. Thomas Cassidy, left Thursday for Grand Rapids where she will enter the Mt. Mercy convent of that city as a novice.

Major Edward Hartwick sailed last Monday for France.

Mrs. Geo. VanAlstyne and daughter Mae of Detroit are here visiting relatives. Mrs. VanAlstyne was formerly Louise Mahon. Ruth Mahon of Detroit is also visiting here.

The Bank of Grayling reports that there is a great scarcity of pennies for making change, due to the war tax.

Mr. and Mrs. M. Hanson left Tuesday for Boston and other eastern cities to be gone until after Thanksgiving. Miss Lucille left at the same time for Detroit.

Miss Angeline Stewart of Cheboygan expects to leave the last of the week for Youngstown, Ohio, to enter the Sisters of Mary's convent to become a sister of that order. Miss Stewart spent some time here at Mercy hospital training school for nurses and made many acquaintances while here.

Mistake Made On Fruit Price In Band Drive

The annual Viking Band Citrus Fruit Sale is currently in progress (Nov. 13-25). We sincerely regret that the initial pricing literature provided for this sale was incorrect. Specifically, the navel oranges were priced incorrectly. We hope you understand that it is not possible for us to sell this product below our cost. You will be contacted regarding this change in price and your

money will be returned if you so request.

If you wish to order fruit, please contact a Viking Band student, a Viking Band Booster, or call Diane Branch at 348-4301.

Again we apologize for any misunderstanding brought about by the typographical error in our initial price list. The continued community support of the Viking Band program is appreciated.

RSVP Reports

By Pete Meze

Add the name of Oliver Kesti to the growing list of retired seniors who have embraced the Retired Senior Volunteer Program concept of service to the community. Kesti looked for some activity to fill in the void left by his retirement as a sales representative for an Air Conditioning manufacturer. His entry into the program was rather unusual. While shopping in Grayling one day, Kesti noted a sign in a drug store window with the words "Help Wanted" in large letters. On checking closely he noted that there was a need of volunteers to serve as aids in assisting teachers with youngsters having difficulty in reading.

Kesti is unique to the program because out of nine volunteers he is the lone male to stick with this volunteer service. He is now in his 12th year. His volunteer ser-

vice requires his presence two days per week in Mrs. Mary Ann Knepp's classroom, aiding children with learning difficulties in grades one through five. Asked what impresses him about the program, the 76-year old Kesti responds, "It is gratifying and rewarding to see the improvement in the children after working with them during a whole semester."

When not otherwise involved with the school program, Kesti and wife Johanna enjoy travel. One of their memorable trips was the trip across America to distant Alaska. The many slides they took of their trip across our most northern states is forever recorded for the family which is comprised of two married daughters, Katherine Yatch, a physical education

teacher at Grayling Elementary School, and Sonja Leonelli. The Kestis, married for 51 years, now have the leisure to enjoy the company of their eight grandchildren and two great grandchildren.

In addition to his involvement with the RSVP, the 76-year-old Kesti is active with the Higgins Lake-Roscommon Lions Club of which he has been a member for 13 years. He has held office as a member of the Board. Currently he is very active in the Sight Program, acting as

chairperson.

The Retired Senior Volunteer Program is government sponsored. The Crawford-Roscommon unit currently is being sponsored by Kirtland Community College with Aleta Thompson serving as Director. You may have a unique gift of talent which would benefit the community. An opportunity to enter the program is available by calling 348-4341 or by visiting the Grayling office at 308 Lawndale. The Roscommon county number is 366-5613.

Viking Girls Win 5th Straight, Play in District Tournament Next

ADULT CLASS — Dawn Burrick, left, and David Sabin are tested in the adult karate and aikido club.

HOW DO YOU DO? — Nathan Niederer, left, and Isaac Tobin perform an introductory move in the karate and aikido club.

Grayling added two more wins to their victory column last week and drew a bye in the opening round of district tournaments in Tawas.

The Vikings beat Roscommon 68-40 away and nipped Houghton Lake 48-46 in overtime at home.

Against Roscommon, Grayling's full-court press won the game. The Vikings were ahead 16-5, 32-15, and 52-27 at the eight-minute marks.

Michelle Moore led with 14 points, Richele Trudeau had 10, Shawn Denton 9, Dena Thayer 9, Carrie Trudgeon 8, Jenni Branch 6, Jenny Money 6, Cathy Kraus 4, and Jennifer Ojala 2.

Against Houghton Lake, Moore and Branch scored baskets in the overtime period to win the game. Moore had an outstanding game with 17 points, 12 rebounds, 7 steals, and 7 assists.

Trudeau scored 12, Thayer 6, Ojala 4, Trudgeon 5, Denton 2, and Branch 2.

Houghton Lake led the entire game until the last

minutes. The quarter scores were 17-12, 29-23, 35-29, and 44-44.

The two wins moved Grayling to 12-7 for the year with their last regular season game Tuesday at Charlevoix. The Vikings had 5 wins in a row heading into that game.

In the district tournament at Tawas, Grayling drew a bye along with Whittemore Prescott (0-14 at the time of the pairings). Houghton Lake, 12-6, plays Roscommon, 4-13, Thursday, Nov. 20, at 6:30 p.m. In the second game that night, Tawas, 12-5, plays Harrison, 8-7, at 8 p.m.

Grayling plays the Houghton Lake - Roscommon winner Saturday, Nov. 22, at 6:30 p.m. Whittemore Prescott plays the Tawas-Harrison winner at 8:00 p.m. Saturday, Nov. 22.

The championship game will be at 7 p.m. Tuesday, Nov. 25.

Viking coach Howard Lehti said Tawas, playing in their home gym, would probably be the favorite.

As of September 30, the end of the 1986 fiscal year, the Daily 3 again has proven to be the most popular of all Michigan Lottery games. And, even with wide player support of the bureau's newer games, the Daily 3 is still increasing in popularity statewide. The following answers some of the most frequently asked questions about this game.

Q: Isn't the Daily 3 a lot like the illegal street game?

A: Yes. In fact, the Daily 3 was introduced in 1977 to compete with the illegal games. And, players in the Daily 3 know that it is honest, that all prizes will be paid and can easily be collected at any Daily Game retailer, and that net revenues help finance education in Michigan.

Q: How much was won in the Daily 3 last year?

A: More than \$170 million was won in prizes ranging from \$41-\$500. During several bonus promotions, the top prize was raised to \$600.

Q: How do these bonus payouts work?

A: At various times throughout the year, the Lottery will announce that, on one night, we won't say which—during the next week, players will be surprised with a bonus payout. The bonus nights take the form of either drawing two sets of numbers and paying on both, or increasing the prize amount awarded on all winning straight bets. For a \$1 wager, the payout would be \$600 rather than the usual \$500, and for a winning 50¢ bet, the payout would be \$300 instead of \$250.

Q: When is the next bonus night?

A: Three bonus nights will be held November 10-29 featuring the larger prizes for straight bet winners.

Q: Did I hear about a record Daily 3 payout this year?

A: Yes. On June 10, 1986, the number 123 was drawn. More than 32,000 players won a total of \$4,965,980. This was the equivalent of 489 percent of the amount wagered in the game that day.

Q: How much did the Daily 3 contribute to school aid last year?

A: While the final figures are not tallied yet, the Daily 3 will provide about \$142 million to the State School Aid Fund during fiscal 1986 to help support K-12 education in Michigan.

Q: How do I play the game?

A: Details of how to play the game, the odds and prize amounts are contained in a pamphlet, "The Daily 3 Made Simple," available free at Daily Game retailers.

Because her question led to this column, Debbie Hanley of Garden City will receive 50 free "Holiday Cash" instant game tickets.

GPA Asks Businesses To Join Festival of Lights

For the third year the Grayling Promotional Association is sponsoring an effort to make Grayling the destination for all those who desire the feeling of Christmas in the Northland. Their goal is to have every building and business decorated with the "little white lights" that have made Grayling so

beautiful and picturesque for the past two years. GPA is planning to turn on the lights on Friday evening, November 28th. At exactly 6 p.m. the lights will go on at the County Courthouse and in every cooperating business and professional building. At that same time Santa will arrive at the County

Building to listen to the wishes, hopes and dreams of the children of Grayling and surrounding communities. There will be carols to sing, gifts for the children - and the Holiday Season will begin.

Won't you join GPA in making their Festival of

Lights bigger and better than last year? The little white lights are a reasonable investment and are available at Kmart, Mac's Drugs, and Grayling True Value Hardware - or perhaps your own supplier. We suggest outside decorations if possible and putting them up high on your building to

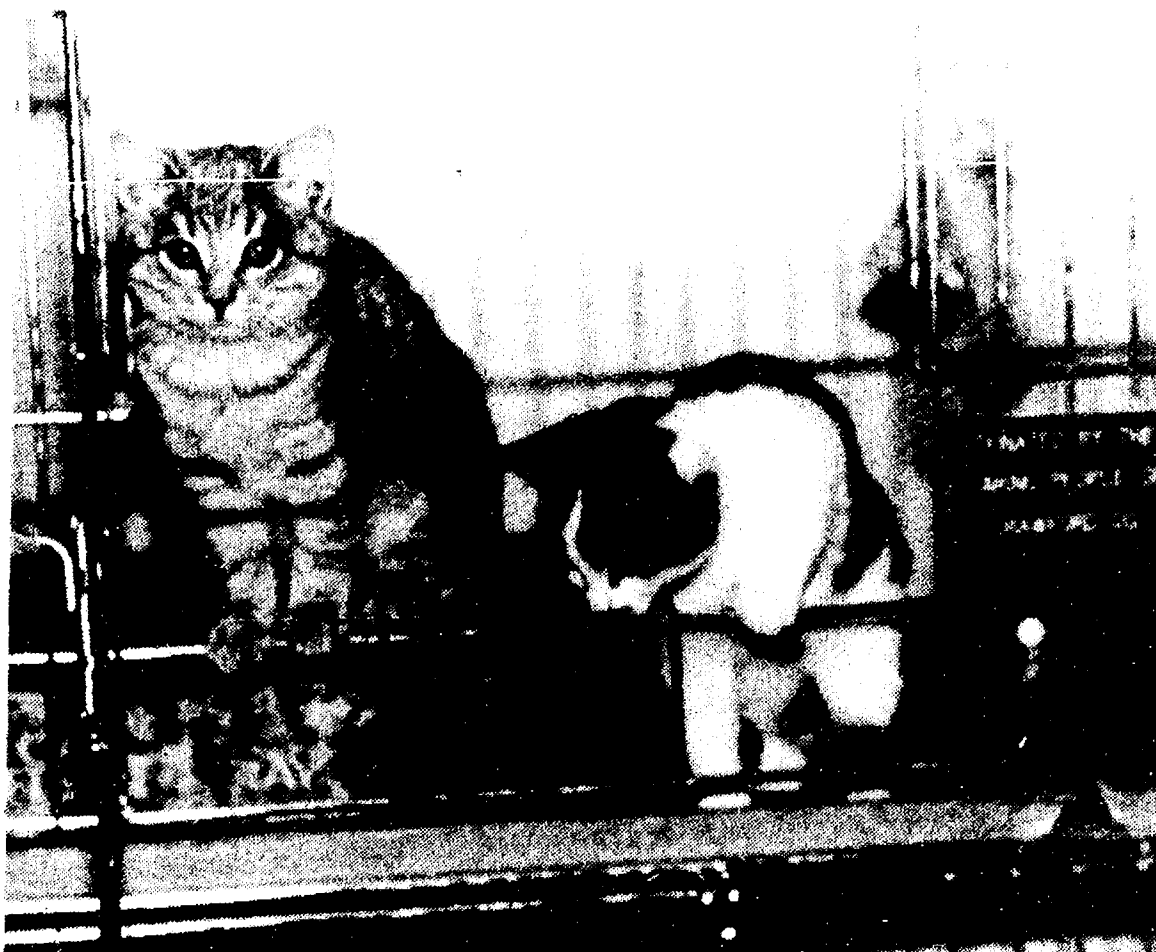

eliminate vandalism. Inside your display windows at a lower level will complete the picture. Outside lights can be put up early to avoid the cold.

From November 28th until Christmas Eve GPA will have two Santa's mailboxes available to receive "Letters to Santa". Letters will be

collected by GPA members and the names of families that appear to be in need will be forwarded to the appropriate organizations for

help. GPA is working to make Grayling the most beautiful, talked about, shopped in place in the north. By

decorating your building, you and your employees can be a part of the GPA Festival of Lights on Friday evening, November 28th - 6 p.m.

COZY KITTENS — These cute little kittens need a nice cozy home to play in this winter. Won't you give them a warm place to stay this winter? Call the animal shelter at 348-6341.

Commission on Aging

Assistance in filling out forms for Property Tax, Heating, and Renter's Credits is available to seniors through Crawford County Commission on Aging.

Homestead Property Tax Credit Claim: You can file as soon as you receive your

property tax statements, usually by the 1st of December. This year for the first time, if you file by mid-December, you should receive your property tax rebate early enough to make your property tax payment in December. When you come in for assistance, please bring your Property

Tax Credit form (if you have one), *proof of your income, and statements for both your winter and summer taxes.

Renter's Credit Claim: You can file right after you pay the December rent. When you come in for assistance, please bring your Renter's Credit form (if you have one), receipts for your rent, and *proof of your income.

Heating Assistance Credit Claim: You can apply for this at the same time as application is made for property tax rebate or rent credit assistance. Please bring in the form (if you have one), *proof of your income, and your utility bills for heat, only.

*Proof of Income includes interest received, Social Security, pensions, etc. Also, if you pay hospital insurance to supplement Medicare, please bring in these receipts, too.

Seniors who want this assistance can stop by the COA office anytime Monday-Friday, 8:30-4:30 p.m., or call for an appointment at 348-8031.

Coming Attractions: COA Thanksgiving Dinner, Nov. 28, 1:00 p.m. All COA offices will be closed November 27 & 28.

Easter Seal held their annual meeting and recognition dinner, at the Park Place Hotel in Traverse City. Our gal Annabelle Armstrong received a plaque for being the outstanding North Eastern volunteer for '86. Congratulations Annabelle for all of your time and work.

Sally Armstrong, daughter of Annabelle Armstrong has been accepted to Suomi College in Hancock, Mi., where she will be attending coming fall. Sally is a senior at Crawford AuSable High School and will be a member

of the Dean cabinet. Congratulations Sally.

Tony Avey from Dearborn Heights, great nephew of Mr. and Mrs. Walter Desnoyers came up for the hunting season, as to this point no luck.

Nov. 25th, Tues. program for COA in Grayling will be with Sherry Haag on "Living in Japan." On the menu for dinner, will be battered shrimp, hash browns, broccoli, tossed salad, melon and juice. Dinner at 5 p.m., program following.

Coming up date Dec. 6 - RSVP Santa Gift Shop Bazaar.

Friends of Hospice Seek Support of Community

Hospice of Crawford County feels that in order to be successful we need the cooperation and support of the community.

Hospice is a program which provides palliative and supportive care for terminally ill patients and their families, either directly or on a consulting basis with the patient's physician or another community agency such as a visiting nurse association.

Originally a medieval name for a way station for pilgrims and travelers where they could be replenished, refreshed, and cared for; Hospice is used here for an organized program of care for people going through life's last

station. The whole family is considered the unit of care and care extends through the mourning process.

Emphasis is placed on symptom control and preparation for and support before and after death. Monetary donations are tax deductible and may be sent to Hospice of Crawford County, P.O. Box 2, Grayling.

THANK YOU

I would like to extend my thanks to the Doctors and nurses at Mercy Hospital and to all my family and friends for the care, flowers, cards and prayers during the illness and death of my husband, Eugene Potter.

PUBLIC NOTICE

Michigan Water Resources Commission
Stevens T. Mason Building
Lansing, Michigan 48909
517/373-8147

Date: November 19, 1986

The Michigan Department of Corrections has applied for a State Permit to store on-site and transport for off-site disposal 10,000 gallons per day of sanitary sewage from the Department of Corrections' Camp Lehman facilities located in Grayling Township, Crawford County. State permits are issued by the Michigan Water Resources Commission in conformance with the provisions of the Michigan Water Resources Commission Act (Act 245, Public Acts of 1929, as amended, MCL 323.1-323.13).

The applicant proposes to pump-and-haul the increased flow resulting from existing septic tank-tile field failure and expansion of the facilities.

This proposed permit would be issued for a limited time and would require the applicant to complete construction of treatment facilities which will meet nondegradation requirements.

Based on a preliminary review, staff proposes the Michigan Water Resources Commission consider issuance of the proposed permit.

Persons wishing to comment on the proposed permit can submit their remarks in writing to:

Permits Section
Groundwater Quality Division
Department of Natural Resources
P.O. Box 30028
Lansing, Michigan 48909

Please place the name of the permittee on the first page of submitted comments. All comments received by December 17, 1986 will be considered by the Water Resources Commission. The Water Resources Commission is expected to consider this request at its December 18, 1986 meeting. Water Resources Commission meeting agendas and scheduling information can be obtained from the above address.

The application, received November 14, 1986 and other information may be inspected at the Groundwater Quality Division Offices, 8th Floor, Stevens T. Mason Building, Lansing, Michigan and at the District Office located at 8717 N. Roscommon Rd., Roscommon, Michigan, telephone 517/275-5151 during normal working hours. A limited number of copies of this Public Notice and a Fact Sheet are available at no cost. Copies of all other information are available at a cost of 50¢ per page.

SHOWTIME GRAND OPENING — Showtime Video celebrated its Grand Opening at its Grayling store last Friday by giving away a Sharp VCR with remote control. Karen Swartzendruber, Showtime employee, is shown with the winner of the VCR, Don Carl. Kari Vaughn, who manages all three Showtime stores in Grayling, Prudenville, and Houghton Lake, said the Grayling store has a wide range of 600 movies to rent and 15 machines for rent. They offer free popcorn with rentals and a \$5 membership allows for lower rates. Showtime is located in the new Alfred Hanson building across from the water tower.

Keeping Healthy

Prescriptions

One study of consumers over 45 found that 40 percent of the people surveyed never filled their initial prescriptions for an illness! Not filling a prescription can allow a condition to develop into a more serious illness, one that might even require hospitalization.

Of course, once you have a prescription, you must know what to do with it. In addition to the instructions your doctor has written for you, some drug stores provide "reminder labels" to help you take your medicine properly. "Take with food or milk" is one instruction used. Unless you have a cast-iron digestive system, some medicines may cause you to have an upset stomach. Taking the prescription with food or milk may decrease this effect.

THOUGHT FOR FOOD

by GOULD CROOK

Pumpkin Chiffon Pie

- 1 Keebler Ready-Crust
- Graham Cracker Pie Crust
- 1/2 cup brown sugar
- 1 env. unflavored gelatin
- 1/4 tsp. salt
- 1 tsp. cinnamon
- 1/4 tsp. nutmeg
- 1/4 tsp. ginger
- 3 eggs, separated
- 1/2 cup milk
- 1 cup canned pumpkin
- 1/4 cup granulated sugar

In saucepan, combine brown sugar, gelatin, salt and spices. Combine egg yolks and milk; stir into brown sugar mixture. Cook, stirring constantly until mixture comes to a boil. Remove from heat; stir in pumpkin. Chill about 1 hour or until mixture mounds slightly when spooned. Beat egg whites until soft peaks form; gradually beat in sugar to form stiff peaks. Fold pumpkin mixture thoroughly into egg whites. Turn into crust. Chill 2 to 3 hours. Garnish with whipped topping. *The Keebler Company*

Hubbard Appointed 4-H Program Assistant

Crawford County Cooperative Extension Service would like to introduce the new 4-H Program Assistant, Shelley Hubbard.

Shelley has lived in Grayling for 4½ years. She is married and has 3 children. She has been involved in 4-H workshops, clubs and Exploration Days. Shelley worked at K-Mart before she took the position of 4-H Program Assistant. Shelley chose this position

because she enjoys the 4-H programs and feels that the quality of these programs give our youth the opportunity for positive growth. She hopes to achieve county awareness of the opportunities 4-H has to offer to our youth. She is open to any input to what the community feels the 4-H Program should offer for our youth.

You can feel free to call or come and visit Shelley at the 4-H office located in the County Building.

Funeral Services Held For Eugene Potter

Eugene D. Potter, 67, of Grayling, passed away Wednesday, November 12, 1986, at Mercy Hospital, Grayling, after a lingering illness. Funeral services were held Friday, November 14, 1986, at St. Mary's Church with Deacon Robert Nolan officiating. Burial was in Elmwood Cemetery under auspices of the Michigan National Guardsmen, unit members from Camp Grayling.

Mr. Potter was born in Alma, Michigan, on July 21, 1919, to Wesley and Bessie Potter. He was retired from the Navy after serving 24 years, and moved to Grayling several years ago from Alma. On August 19, 1979, he married Jean T. Rasmussen. He was a member of the Grayling Eagles, American Legion Post #106, Grayling; VFW Post 1454, life member in Alma; Fleet Reserve Association; Guam Scottish Rite, Agana, Guam; Elk's Club in Gaylord, Grayling Youth Booster Club, Grayling Masonic Lodge, and the AuSable Shrine Club.

Survivors include his wife, Jean T. Potter; two brothers, Roy Potter of Grayling and LeRoy Potter of Alma; Three sisters, Florence Greenway and Phyllis Nestle, of Alma and Cleo Stiles, of Tennessee; several nieces, nephews and cousins. Also surviving is a son living in Texas.

Preceding him in death

was his father, Wesley Potter, mother Bessie Potter, and a brother Lyle Potter.

Honorary pallbearers were: Harry Wolfenbarger, Art Thayer, Tom St. Germain, Harry Miller, Joe Perry, and Marlin Friske.

Memorial funds may be made to the Grayling Youth Booster Club and the Crawford County Library.

Daniel's Den Moves West To New Place

Daniel's Den will present Dave and Karen Ross this Saturday, Nov. 22nd. Dave plays guitar, Karen plays the piano & flute, and both sing to the enjoyment of their audience.

We are now in our new location and are very excited to be finally coming together again with all of you for a wonderful time of fellowship and music. Daniel's Den is located in Grayling 1 mile West on M-72 in the new fellowship hall of the Episcopal Church. Our doors will be open at 7:30 p.m. and music will start at 8:00 p.m.

Mental Health

Have you ever stopped to consider how important your attitude is toward your suc-

cess with older people if you happen to work in an Audit Foster Care Home or a Nursing Home? No matter how skilled you may be in filling health care needs, you cannot be truly successful if you have the wrong attitude toward your work.

Furthermore, a negative attitude is contagious. Not only can other staff members "catch it", but so can the very patients the home is trying to help. You personally can destroy in a short time what may have taken others a long time to build.

Here are some negative attitudes that have no place in a facility that cares for the elderly. How many have you noticed in your fellow workers? In yourself?

1. "I'm so underpaid around here that I don't feel that I have to do much work and they're still getting more than they deserve."

2. "I see a lot of things that aren't right about this place, but it's none of my business. As long as they pay me, I'm not going to rock the boat."

3. "I could do a better job than what I'm doing if I really wanted to, but it's good enough for this place."

4. "I don't care if they are short of help because of sickness. I was hired to do my job, and I'm not helping out anywhere else. I do just what I'm supposed to do. Nothing more."

5. "I hate this place and the people in it. But I have to work and this is the only job I could find."

Look around and find the most successful person working in your facility. Why do you think this person is so successful? What makes this person always seem so happy? By the way, when looking around, don't forget to look in the mirror. That person may be you.

GHS Blood Bank Attracts 111 Persons To Donate

By Kim McDonough
GHS Senior

On Wednesday, November 12, Grayling High School hosted another successful blood drive. Although the surroundings were unusual (it was held in the auditorium) 111 persons came in to donate.

By the end of the day, 96 pints of blood had been gathered, exceeding the set goal of 85 for the drive. Yet the best statistic by far is the number of first time donors that came to donate - a total of 34, which was only one person short of the record number of first time donors.

Among the highlights of the day, seven persons received decorations for the

amount of blood that each had donated over their lifetime. Three persons were given awards denoting a two gallon accumulation, Gerald Annis, John Lingle, and Paul Smith. Two persons received four gallon pins, Richard Oliver and Eugenia Roemer.

Al Kesteloot received a seven gallon notation, and

Whitey (Clarence) Burse topped the day with an eleven gallon pin.

Grateful appreciation is sent to all the persons that helped the blood drive become a success, especially those persons who took time from their day to donate. We hope everyone will come to the next blood bank, at the Legion on January 7th.

Resource Review

Bruce Patrick
Conservation Officer

The more I think about it, the more I hate rifles with hammer type "safety" mechanisms. When not used properly, these have the potential for being the most dangerous firearms a hunter could use.

Take for example, a young fellow we ran into on the first day of deer season. He was walking along carrying his rifle by the sling, allowing the gun to hang parallel to the ground. As we were talking to him, I noticed that the hammer was back on the rifle. When I brought this to his attention, he said, "I know it, but the gun is safe because the lever is partly open". I discussed with him, not very nicely I'm afraid, the foolishness of his theory and action. Unfortunately, older hunters have the same idea - that a lever action rifle is "on safe" if the lever is not completely depressed. There might be some kind of

mechanism that is supposed to prevent the gun from firing unless the lever is completely depressed, but I don't want to bet a nickel, let alone a life, on it working.

Another problem with them is that the only way they can be unloaded is by working the action and feeding each round into the chamber and repeating the process until the gun is unloaded. This must be done rapidly or else the rifle may jam. Everytime the action is closed, the hammer is back and if the hunter is not careful a piece of clothing or something may catch the trigger and cause the gun to fire.

Also, the last round may not eject properly, and if the hunter doesn't make a visual check, the gun may be put away with a round in the chamber.

Lever action rifles are very popular. If you use one, please be extremely careful with it.

Eagles Hold Dance With Big Sky Band

A joint initiation was held October 26 with the following ladies being inducted: June Jewell, Mary Geno, Marcia Rozycki, Dorothy Munson, Jacqueline D'Hondt, and Revah Burkert. A Swedish meatball dinner (prepared by Ann Latusek) with salads and desserts furnished by the Auxiliary was served.

About 40 members attended the District Meeting at Houghton Lake on November 9. The Aerie and Auxiliary each brought back the trophy.

The next Auxiliary meeting will be November 20.

The Aerie will be holding another dance for Eagle

members and guests on November 22. Get a group together and dance or listen to the music of "The Big Sky Band" from 9 p.m. to 1 a.m. The ladies (or you men, too) are requested to bring a pie or cake for the Cake Walk.

Sunday, November 23, at 3 p.m. a Joint Initiation will be held. A venison stew dinner prepared by Nick Mihaesau will be served. The Auxiliary will furnish biscuits, salads and desserts.

Due to the Thanksgiving Holiday, there will be no Fish Fry Wednesday, November 26. They will resume the following Wednesday.

BLOOD BANK — GHS students Kim McDonough, Jenni Branq, and Lori Dean (from left) helped run the Blood Bank last Wednesday at the high school. There were 111 donors and 34 first-time donors.

Doodles From The Tall Timber

By Wendell L. Hoover
Park Interpreter

Many people realize how important the oaks are to many species of wildlife, deer, squirrels, and turkey are prime examples. Acorns are often available throughout a fair portion of the year.

In some areas of the state the Beech is just as important as the oak as a food source for wildlife. The Beech may be found in pure stands and some individuals may attain heights of 125 feet and diameters of 4 1/2 feet. The bark of the Beech is smooth and light gray in color. They prefer to grow on rich bottom land or fertile highlands. It is interesting to note the tree will not do well where there is limestone or water that has passed over limestone.

What makes this tree important to wildlife is the fruit which is a small spiny burr; with two, triangular shaped sweet meaty nuts eaten by at least 15 species of birds

including the wild turkey, squirrels, bear, deer, and even by the fox.

At one time the nuts were important as food for man. Our ancestors gathered them in quantity during the early fall. Rather than pick them up one at a time they placed a piece of canvas under the tree, then someone climbed the tree to shake the limbs. If they had no canvas they waited until the nuts fell then they used forks to load wagons with leaves, twigs,

and the nuts. On a windy day they would winnow out the nuts since they were heavier than the leaves. The nuts could then be crushed to extract oil which was used in cooking.

The wood of the beech is used in the furniture industry and as many of you know it is excellent firewood. Many old trees become hollow and thus make good homes for some animals such as squirrels and raccoons.

Army Honors Prosser As Soldier Of Month

Army Pvt. James L. Prosser Jr., son of Mr. and Mrs. James L. Prosser Sr. of Rural Route 2, Grayling, has been named outstanding soldier of the month.

Prosser is an infantryman with the 502nd Infantry at Fort Campbell, Ky.

The selection was based on the individual's exemplary duty performance, job knowledge, leadership qualities, significant self-improvement, and other accomplishments.

He is a 1982 graduate of Grayling High School.

BEAR ARCHERY BUILDING — Bill Granlund and Art Butzenmayer, Vice Presidents of Bear Archery Co. in Gainesville, Florida, are shown handing over the key to the Bear Archery Co. buildings and property located on M-72 West to Sandy Thompson, of Century 21 River Country Real Estate, who was awarded the contract of managing and marketing the property. The Bear Archery building, which contains 125,000 sq. feet of space and 8.5 acres of land, presently has 2 tenants, Grayling Township and the Michigan Liquor Control Commission, and there is still over 100,000 sq. feet of space available for lease, for manufacturing, storage, office, and retail sales space. Thompson says that this building and property can become one of Grayling's most valuable assets again, leading to more employment by future tenants because the buildings and property have everything necessary for any type of enterprise. The facility has city water, sewer, natural gas, multi-phase electricity, truck wells, grade level doors, rail service, close to highway, expressway and airport access, lots of parking space, reasonable rates, and is ready for instant occupancy.

Is YOUR IRA DEDUCTION VANISHING?

Beginning in 1987, persons covered by another qualified retirement plan will have their IRA deduction eliminated or severely reduced. Most wage earners, however, can deduct the full legal amount of their 1986 IRA contribution from their current federal tax return.

Talk to Great Lakes Federal Savings about your 1986 IRA contribution. Visit your nearest branch, or open your IRA the easy way, by calling 1-800-DIAL-GLF. It's safe, sure and your earnings will continue to grow tax-sheltered. But hurry. Your IRA deduction may vanish soon.

Cancer Society Warns Non-Smokers About Nov. 20

The Crawford County Chapter of the American Cancer Society issues this warning to all Non-Smokers in the area — BEWARE OF THE GREAT AMERICAN SMOKEOUT DAY. Your favorite smoking friend may be unbearable, edgy, and possibly down right nasty. He may also surprise you. For some, taking time off from smoking, making that first step toward quitting may not be that bad. But beware just the same.

Thursday, Nov. 20 is THE GREAT AMERICAN

SMOKE OUT DAY. A day designated by the American Cancer Society as Quit day for millions of smokers. If you are a smoker, the Cancer Society offers these tips to help you through Quit day and hopefully for the days to follow:

1. Throw out all cigarettes. Clean out ashtrays. Discard matches and lighters.
2. Take a deep breath when the urge to smoke hits. Hold for ten seconds.
3. Exercise to help relieve tension. Walk instead of drive if possible; climb stairs, jump or run in place. Swing your arms.
4. Keep a supply of raw vegetables and fruits on hand to munch on instead of smoking. Chew sugarless gum or suck on hard candies.

5. Cleanse your body. Drink 6 to 8 glasses of water a day. Pass up coffee, caffeinated soft drinks, and alcohol. These increase your urge to smoke.

If you have a friend who has pledged not to smoke on Quit day, the following suggestions may help ease them through the day. 1. Show that you care, Praise. 2. Give them a bag of nibbles. 3. Don't threaten or nag. 4. Encourage them to try it one more day - one day at a time.

Quitting smoking is not an easy process. But when you realize that smoking is the single greatest threat to our health (whether you are a smoker or in close contact with a smoking person) it makes the struggle worthwhile.

Elizabeth Funck Born Nov. 13

Dave and Cindy Funck, of Grayling, would like to announce the birth of their daughter, Elizabeth Ashley, born on November 13th in Otsego Memorial Hospital. She weighed 8 lbs. 1 oz., and measured 19½ inches long.

The grandparents are Ed and Ruth Funck, of Grayling, and Curly and Barbara LaForest, of Mt. Clemens. Elizabeth's great grandmother is Marie Spear, of Mt. Clemens.

Steven Ellison Born Nov. 10

Tony and Sharon Ellison, of Lowell, and formerly of Grayling, are pleased to announce the arrival of Steven Anthony, born November 10th in Grand Rapids. He weighed 7 lbs. 11 ozs.

The grandparents are Warren and Elaine Graham of Higgins Lake, Ward and Therese Ellison of Grand Ledge, and Alice Bauer of Lowell.

New Members Invited By Quilt Guild

July proved to be a banner month for the AuSable Quilt Guild. The Lake Margrethe home of Marion Welsh was the setting for the monthly meeting. A record turn-out of members attended on a beautiful day.

The annual July Quilt Show at the Icehouse is always an event that the ladies get involved in. It is a busy and rewarding time for each one of us who participates. Later in July, Pearl Johnson, president of the Guild, opened her Johannesburg home to quilters and their families. The afternoon of fun and

games was followed by a picnic supper.

During the fall season, lap quilts are being made for use at the Grayling Health Center. Membership in the Guild is now open to anyone interested in quilting. Please contact Jane Adams at 348-7306 for information.

DAV Chapter To Meet 20th

The Disabled American Veterans Chapter 135 will hold its monthly meeting at Lyon Township Hall at 7:30 p.m. on Thursday, November 20th.

NOTICE TO THE RESIDENTS OF GRAYLING TOWNSHIP

Notice is hereby given pursuant to MCLA 41.191 that on November 12, 1986, the Grayling Township Board adopted Ordinance 86-3 to take effect immediately.

A copy of the complete ordinance can be obtained at the Grayling Township Office. A summary is as follows:

An Ordinance to amend Grayling Township Zoning Ordinance 83-4 Section 10.2(c), Section 11-2(e) and Section 15.2(c) to allow as a permitted principal use the storage of one temporary recreational structure on the rear of a lot containing a permanent dwelling with due regard to side and rear yard requirements for accessory buildings (Sec. 20.1, B4). On lots with a duplex dwelling, one recreational structure per unit would be allowed. Monica S. Ashton Clerk

CHURCH DIRECTORY

Some years ago a prominent pastor prayed in his morning prayer: "O God, help us not to accept and be satisfied with THE GOOD," then paused to allow wonderment to settle on the perceptive and stimulus to awaken the drowsy. And then added: "to the exclusion of THE BEST."

The pastor was addressing in his prayer an issue and reality that cramps growth. Too often we settle for the "good things of life" without realizing that there are "better things" and "best things" in life.

The "best things in life" are not necessarily FREE. They must often be purchased at the high cost of discipline and the exacting price of cultivated perception, plus a determined stickability.

Talent is a God-gift and free but must be trained if fulfillment is realized. Something so beautiful and free as a sunset must be purchased by the high price of TIME—devoted TIME to allow opportunity for appreciation. But TIME alone cannot produce appreciation of beauty unless one has cultivated a sense of gratitude to Him who is the Source of all BEST things.

"Cast thy bread upon the waters: for thou shalt find it after many days."
Ecclesiastes 11:1

Meeting called to order by Mayor Thompson at 7:30 P.M.

Members Present: Gohnick, White, Sloan, Latuszek, Thompson.

Members Absent: None.

Also in Attendance: Allen V. Schreiner, City Treasurer, Kay Ellen King, A. Donald Sorenson, Kim McDonough, Bob Dittmer, WQON.

Motion by Sloan, supported by White that the minutes of the meeting of October 13, 1986 be approved as presented. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Citizens who wish to speak: None.

Communications were received and noted.

From Kent Reynolds re: Ionia and Plum Street intersection. Discussion was held. Mr. Schreiner was requested to write a letter to Mr. Reynolds stating the reasons for re-opening the street. Council did not wish to reverse their action of September 8, 1986.

From Grayling Housing Commission re: Meeting minutes of October 14, 1986.

From NEMCOG re: Dues for 1986-87. No action taken. City Council requested Mr. Schreiner to write a letter stating that the City does not wish to belong to NEMCOG at this time.

From Crawford County Clerk re: 1986 Millage Apportionment.

From Flood Plane Control Unit re: Floodplains.

From Grayling Township re: Rezoning of the proposed Dial-A-Ride garage site.

From Jim's Well Drilling re: Invoice dated October 1, 1986. Mr. Schreiner noted that he had requested an explanation of one of the items on the invoice. He indicated that he was satisfied with Mr. Carlsons explanation and recommended payment of the invoice for the 5 monitor wells.

Motion by Gohnick, supported by Thompson that the invoice from Jim's Well Drilling in the amount of \$1,959.10 be approved for payment. Ayes: 5, Nays: 0, Absent: 0, motion carried.

From Crawford County Transit Authority re: Meeting minutes of October 15, 1986. Several questions were asked by Council and answered by Mr. Schreiner.

From City Treasurer re: Christmas Turkey List.

Motion by Gohnick, supported by Latuszek that Council continue the practice of giving turkeys to the city employees at Christmas. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Old Business.

Mr. Schreiner reported on the result of the bid opening of October 22, 1986 for the Middle School Water Main. Two bids were received as follows:

1. Porath Construction Co.	\$20,190.42
2. Nick Jorae Excavating	15,174.00

Upon the recommendation of Richards & Associates Mr. Schreiner recommended approval in awarding of the contract to Nick Jorae Excavating. Mr. Schreiner pointed out that the engineers have noted that three of the valves (at \$300.00 each) to be installed are for system enhancement rather than a direct benefit to the Middle School and consequently should be paid for by the city. He so recommended this to Council.

Motion by Gohnick, supported by Thompson that the contract for the Middle School Water Main be awarded to Nick Jorae Excavating Co. for \$15,174.00 subject to three (3) conditions:

1. Approval of the contract by Crawford AuSable Schools.
 2. Receipt of the necessary insurance documents from the contractor.
 3. Receipt of an agreement from Crawford AuSable Schools for financing of the project.
- Ayes: 4, Nays: 1 (Sloan), Absent: 0, motion carried.
- New Business.
- Mr. Schreiner presented to Council an Amendment (plus supporting information) to the 1986-87 Fiscal Budget for the Fire Department. This Amendment incorporates additional revenue of \$8,350.00 from five Townships and Crawford County and additional expenditures for new equipment of \$8,198.00 to purchase said equipment.
- Motion by White, supported by Gohnick that the Fire Department Budget for 1986-87 be increased by \$8,350.00 and that Fire Protection Revenues be increased by \$8,198.00. Ayes: 4, Nays: 0, Absent: 1 (Sloan), Absent: 0, motion carried.
- Reports of City Manager. Mr. Schreiner reported on the following:
- Mr. Schreiner presented a proposed Resolution for Council action regarding the retirement of Howard "Whitey" Madsen from the Crawford County Avalanche.
- Motion by Thompson, supported by White that WHEREAS, Howard "Whitey" Madsen in 1946 did take up residence in the City of Grayling and commenced employment with the Crawford County Avalanche, and WHEREAS, on June 1, 1967 he became Editor of the Avalanche and has been instrumental in promoting and improving the community, and WHEREAS, during the 40 years he has served the community in many ways including the position of City Councilperson, and WHEREAS, he will retire from his position as Editor on October 31, 1986.
- NOW THEREFORE, be it resolved by the Grayling City Council that Howard "Whitey" Madsen be thanked and congratulated for his many years of community service and that they wish him a long and fulfilling retirement.
- Adopted this 27th day of October, 1986.
- Ayes: 5, Nays: 0, Absent: 0, motion carried.
- Reports of Council Members.
- Mr. Sloan asked about enforcing the policy of garbage being put out after the Monday pick-up. Also to write a letter to the school reference the trash left in the area of the football field after games.
- Mr. Sloan asked about the Elgin picking up leaves at the Cemetery. Mr. Sorenson answered his questions.
- Adjournment.
- Motion by Gohnick, supported by Sloan that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 8:30 P.M.
- Allen V. Schreiner
City Treasurer

The Bible Speaks

From Calvary Baptist Church

EVOLUTION AND HER TWIN DAUGHTERS: ABORTION AND HOMOSEXUALITY-AIDS

"In the beginning God created the heaven and the earth" — Genesis 1:1. "And the Lord God formed man of the dust of the ground..." — Genesis 2:7. "And the rib, which the Lord God had taken from man, made He a woman" — Genesis 2:22.

The above verses from the Bible are clear, straightforward, and easily understood by the Bible-believing Christian. Creation as taught in the Holy Scriptures is diametrically opposed to any theory of evolution (whether it be Darwinian or theistic evolution as taught by many pastors today). The fairy tale theory of evolution is promulgated by the public school system (elementary, middle, and senior levels) and taught as if fact, when it is actually easily and simply refuted and made to look silly by true science. For example, the first and second laws of thermodynamics, the decreasing size of the sun with advancing time, the loss of earth's magnetic field, nickel and helium accumulation, the lack of "missing links," fossil records, and the effects of the universal flood all support creation and refute the fallacy of evolution (as shown in this column multiple times during the last eight weeks).

Abortion has been legal in the United States since 1973 (Roe vs. Wade, Supreme Court decision). Once evolution is accepted, it is much easier to rationalize and accept abortion. The baby in the womb is not a person, but a "property" at the mercy of its "owner" (the mother) and her "rights." However, the child in the womb belongs to God, regardless of what the NEA, NOW, ACLU, or Planned Parenthood says. (See Jeremiah 1:5, Psalms 139.)

Those of you reading that are unsaved will not understand spiritual truth (see 1 Corinthians 2:14). I urge you to repent and accept Jesus Christ as your Saviour. C. Michael Langdon, M.D. Deacon Calvary Baptist Church

The column "The Bible Speaks" is paid advertisement by the Calvary Baptist Church and its thoughts are strictly those of the author, and in no way does its contents reflect the thinking and belief of the Avalanche and staff.

Size Makes a Difference

Children from smaller families score higher on verbal sections of intelligence tests than those from larger families, thus improving their chances for educational advancement.

Because children from smaller families (three or fewer brothers and sisters) usually experience more parent-child interaction, they compete well educationally and have access to many lucrative occupations.

Notice of Mortgage

Foreclosure Sale

In pursuance and by virtue of a Judgment of Foreclosure of the Circuit Court for the County of Crawford, State of Michigan, made and entered on August 5, 1986, in a certain case therein pending, wherein UNITED WHOLESALERS OF SAGINAW, a Division of H. Eikenhout & Sons, Inc., a Michigan Corporation, was plaintiff and Robert J. Kropp and Diann E. Kropp, were defendants, notice is hereby given that there shall be sold at public sale to the highest bidder, in the lobby of the Crawford County Building, 200 Michigan Ave., Grayling, Michigan, that being the place of holding the Circuit Court for the County, on Wednesday, December 10, 1986, at 10:00 a.m. the following described property, being all that certain piece or parcel of land situated in the Township of Grayling, County of Crawford and State of Michigan, described as follows:

Commencing at the southeast corner, of the North 1/2 of the northeast 1/4 of Section 8, Town 26 North, Range 2 West, thence 68 rods West, thence 40 rods North; thence 68 rods East; thence 40 rods South to the point of beginning. Mineral rights are reserved.

The sale shall be made, and the deed to the purchaser at sale shall be, expressly subject to the land contract vendee interest of Edward Forbush.

Six months from the date of such sale, defendants and all persons claiming or to claim from or under them will be forever barred and foreclosed of and from all equity of redemption, and claim of, in and to the mortgaged premises so sold, and ever part and parcel thereof, which shall not, prior to that time, have been redeemed from such sale; provided, however, the land contract vendee interest of Edward Forbush shall remain intact and the sale purchaser shall hold the premises subject to same.

The purchaser or purchasers of the mortgaged premises at such sale shall have possession of such portion of the mortgaged premises as shall not have been so redeemed, subject to the rights of possession of the land contract vendee aforesaid.

Big Bucks Brought to Orange Coat Round-Up

Thirty two bucks — most of them good-sized deer — were hung on the Grayling Buck Pole Saturday on the opening day of rifle season.

On the second day of the Orange Coat Round-up, sponsored by the Grayling Chamber of Commerce and Skip's Sport Shop, 19 bucks were hung on the Buck Pole.

Skip's Sport Shop, the site of the Buck Pole, was a busy place over the weekend as hundreds of hunters and other visitors stopped to check the big bucks on the pole.

The Grayling Buck Pole has always been a hot spot for the first two days of rifle season, but this year, with plenty of big bucks hanging, the place was packed.

The first ten hunters bringing in a buck each day won \$25 cash or a \$50 savings bond. Each buck brought in after the

initial ten was worth \$10 cash to the hunters.

Additionally, special prizes were given out each day. Louis Hill, of Lake City, won a 30.06 Savage rifle with scope by bringing in a 14-point with the largest rack overall.

A \$50 savings bond or \$25 cash was awarded to Tevern Stuart, first hunter to bring a buck in Saturday; Jeff Prause, first hunter to bring a buck in Sunday; Stacey Hoover, heaviest buck Saturday, Stan Rakoczy, heaviest buck Sunday; Ron Mitchell, youngest successful hunter Saturday; Rick Mikesell, youngest successful hunter Sunday; Wyman Reed, oldest successful hunter Saturday; Frederic Biber, oldest successful hunter Sunday; Linda Stephan, first successful woman hunter Saturday, and Jan Banfill, first successful hunter Sunday.
